

Taekwondo competitors honored for performances

At their Christmas Banquet, Dickson Taekwondo awarded the 2007 female competitor of the year trophy to Riley Perkins. The 2007 male competitor of the year trophies went to Troy Brown and Andrew Trimble, who were tied. They are pictured with Tony Lewis (owner and chief instructor). These students collected the most points through the year by entering four regional and one national tournament. They placed first, second, or third in each tournament. One of the 2008 regional tournaments will be in Dickson. For more information, call Mr. Lewis at 446-5622.
