

The Pre-Shoolers class taught by Michelle Spann & Lucius Lewis at Dickson Taekwondo, 608 Henslee Drive, recently tested and were promoted. They are standing proudly displaying their new belts.

This pre-school program provides the children a safe, fun way to learn childhood safety issues and self-defense, while learning courtesy, integrity, perseverance, self-control, setting and accomplishing goals, eye-hand coordination, memory work, and more!

All students were White Belts (beginners) and are listed with their new rank.
